Senador Hugo Miranda Ramires,
President, Radical Party of Chile,
Senado,
Santiago,
CHILE

Dear Senador Miranda,

You have already received my confirmation of receipt of your telegram. The purpose of this letter is to inform you that I have received the letter of September 28th, signed by Senador Jonas Gomez Gallo, renewing formally the application of the Party for membership of the Socialist International.

I have pleasure in informing you that the Chairman of the Socialist International, Dr. Bruno Pittermann, has agreed to the inclusion of the application of the Party in the agenda of the Bureau of the Socialist International at Zürich.

The procedure is that the Bureau will make a recommendation to the Council Conference which will be held in Zürich from October 10-13. If this recommendation is favourable, and if the recommendation is approved, the agenda of the Council Conference is so arranged that the application would be the first business and a successful party would be able to be represented by two delegates. This procedure has been explained to your colleague, Senador Jonas Gomez Gallo, who has decided to be at Zürich.

I have given you the formal arrangements, and look forward to renewing my contact with Senador Jonas Gomez Gallo in Zürich. He has written to you about the friendly reception which your application has received from long standing member parties.

With kindest regards,

Yours sincerely,

Salud! *Albert Carthy*
